

# TIPS, GRIPS & NEEDLES

Per-4 bietet ab sofort auch eigene Tattoo-nadeln an. Sie entsprechen höchsten Qualitätsansprüchen und sind in vier Stärken und fünf verschiedenen Spitzenformen erhältlich. Sie sind sauber gearbeitet und sehr spitz.

Unser Standardangebot an fertig gelöteten Nadeln ist auf den folgenden Seiten zu finden. Die Spitzenform ist hierbei immer Standard Taper.

Sollte die Größe oder die Spitze, die Ihr sucht, nicht im Katalog abgedruckt sein, so könnt Ihr diese trotzdem bei uns bestellen. Ab fünf Packungen á 50 Nadeln stellen wir diese nach Euren Wünschen her - und das ohne Aufpreis zum Pluspreis. Die Lieferzeit für Sonderbestellungen beträgt ca. 4 bis 6 Wochen.

Per-4 offers from now on its own Tattoo needles. They answer to the highest quality requirements and are available in four thicknesses and five different taper shapes. They are cleanly worked and really sharp.

Our standard offer in presoldered needles is to be found on the following pages. The taper shape is always Standard Taper. Even if the size or the taper you seek is not offered in the catalogue, you can order it with us. Starting from five packages - 50 needles each - we manufacture these according to your needs - without surcharge, at the plus price. The delivery time of the special orders is approx. 4 to 6 weeks.
